MEMO TO: File

F R O M: Mary Margaret Shanahan

SUBJECT: Exhumation of 40-010

On or about August 24, 1973 I telephoned Mr. Frank T. Hicks of the Rector Funeral Chapel, Inc. in Geneseo, New York (716-243-0995) to inquire how he was coming with his estimate of the charges to exhume. He apologized for the delay in replying to my letter of August 8, 1973 saying that he had just returned from vacation.

He read over the phone the following charges and agreed to send me a letter confirming them:

Cemetery charges:	CMSA pack	\$ 30
1st opening . . .	Vault company	
2nd opening . . .	charges (breaking	
Transportation to	open, replacing):	
Rochester + ret:	(190,100)	290
(\$35 each trip) .	Professional fee	50
Ziegler case . . .	TOTAL = \$685 + air fare	
		70
		75

Mr. Hicks requested that the permission forms have the address of the signors added to them. He also inquired when the remains would be returned stating that no interments were permitted by the cemetery between December 1st and April 1st.
